

ET Series

Cold Water Pressure Washers

#1 in North America for High-Pressure Cleaning Equipment

Electric / Hand-Held

The reliable **Hotsy Triplex pump** has a one-piece forged brass manifold head and carries a 7-year limited warranty....best in the industry!

Thermal pump protector prevents excessive heat or pressure buildup for safety

Pressure-trapping unloader safety feature diverts water flow when trigger gun is not in use

15° high pressure **Quick Connect Nozzle** conveniently mounts to unit

6 ft. **Electric Cord** with NEC approved ground fault circuit interrupter for operator protection

Reliable industrial **Motor** with 1740 RPM, reset button, capacitor start and full-service factor for longer life

Spring-loaded **Trigger Gun** with two-piece, twist-lock, easy grip Spray Wand

Remote wall switch with 10 foot electrical cord for convenience in turning the washer on in wash bay installations

25 ft. steel wire-braided **High Pressure hose** rated for up to 3000 PSI. With 24-inch Hose Guard and swivel fitting for tangle-free handling

Rubber pads absorb vibration for long-life and to keep the unit from moving or "walking" while in operation

Auto Start-Stop feature allows the operator to start and stop the washer by pulling or releasing the trigger gun; this also provides additional protection for the high-pressure pump

FEATURES

- 1.8 GPM / 1400 PSI
- 2.0 HP electric motor
- Compact, lightweight design
- Hotsy direct-drive with 7-yr pump warranty

Clean better with Hotsy detergents

Hotsy pressure washers and parts washers clean best when matched with specially formulated Hotsy detergents. More than 40 liquids and powders meet every cleaning need imaginable. Nearly all contain Hotsy's exclusive advanced-formula HCC additives to help prevent scale build-up and to fight corrosion in your equipment. Most Hotsy detergents are USDA and Canadian Agriculture approved. All are highly concentrated, so a little goes a long way.
